AN INTERACTIVE JOURNEY FOR NEW CONVERTS

Have you ever noticed that too many of our “fish” have gotten off the hook or through one of the holes in our nets, or been devoured by the enemy before they mature? We want to offer tools to help you.

NEW BOOK

This is a 21-day interactive journey for the Christ follower. The believer is encouraged to read one chapter of John per day and one chapter of this book. The book will walk them through key points each day including a personal encouragement, prayer and next step.

INTERACTIVE BLOG

Supplemental activity: This engages the new believer in a daily discourse giving them an opportunity to ask questions, receive answers, learn from others, and pray with someone. The goal is to walk with them through their first 21 days and help them to grow in their journey. (visit www.sunnysidecog/blog)

HOW THIS CAN WORK FOR YOU

We will help you set up a blog on your current website and direct new believers to you. If that is too much for you, we will gladly pray with them and answer their questions. We will then always direct them to you for spiritual covering as their pastor/leader.
